Timothy Tan

Senior Vice President

Global Corporate Travel Management

UOB Travel

With more than 16 years of experience across Asia Pacific in the travel industry, Timothy brings with him a wealth of hands-on expertise and know-how in the corporate travel segment. Previously, he held key senior country and regional positions in sales and account management across travel services companies such as Abacus International, BCD Travel and Sabre Travel Network. He currently manages the corporate travel program at United Overseas Bank where he aims to drive cost and operational efficiencies while striving to enhance the corporate traveller experience through strategic collaboration with global and Asia-based industry partners.
